Entrance to Veras grasmatta

Photography and recording

Photography and recording are permitted with the prior consent of the individuals involved and the event organizers. Please be respectful and obtain permission before capturing images or audio during sessions or social events.

Wireless Internet Access

Complimentary Wi-Fi will be available at the venue. Either through Eduroam or the network provided by Veras grasmatta.

IVTW presenters

Please upload your presentation latest one day before your presentation slot in the corresponding subfolder. Name it according to the format DayX_LastName.ppt (or .key,.pdf)

https://chalmers-my.sharepoint.com/:f/g/personal/mlq_chalmers_se/EqC9sDvpaEhBrUke9gK_izEBN4GEMwxKm-ixJlh45Qj56w

This will ensure that the slides can be broadcast smoothly from the presenting computer, avoid unnecessary technical delays during transitions, and allow attendees to access the material in real time:

Feel free to edit or update your slides after your presentation if you wish.

Format: Powerpoint, pdf or keynote.

IVTW posters

We will use four moveable white boards for the posters. The size of a white board is: 180 cm (width) and 150 cm (height). Thus, on each white board we can fit two A0-posters. Magnets for the white boards will be available.

Publishing presentations and posters

We are considering using Zendo (<https://zenodo.org/>) for the presentations and posters, an advantage is that every presentation is assigned a DOI, making them citable and trackable.

As an example, see: <https://zenodo.org/communities/evga2025/>

Visit to GARD and the Nanofabrication Laboratory

Miscellaneous

Weather and Clothing

In Gothenburg in late October, expect cool temperatures, averaging around 8.5°C (47.3°F), with daily highs of about 11°C (52°F) and lows near 6°C (43°F). This is a moderately chilly, often breezy, and rainy month, with a 40% chance of rain on an average day and around 9.7 mm of precipitation. Be prepared for cloudy conditions and bring warm, wind, and water-proof clothing.

Time zone

During the meeting, CEST (Central European Summer Time) UTC/GMT +2 hours.

Please note: Sweden goes back to wintertime (Daylight Saving Time ends) on *Sunday, October 26, 2025*, when clocks are set one hour back at 3:00 am local time. This is when the clocks change from Central European Summer Time (CEST) to Central European Time (CET).

Sunrise during the meeting: 08:00 CEST

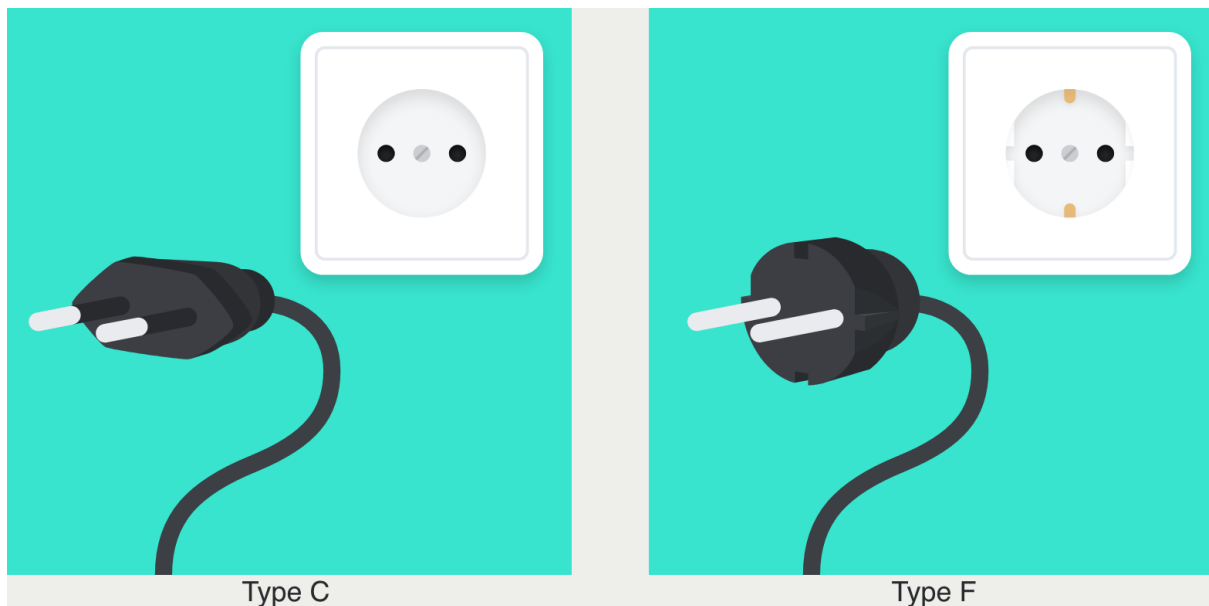

Sunset during the meeting: 17:45 CEST

Health and Safety

Sweden is safe and has modern medical facilities. No special vaccinations are required. Follow the usual precautions for personal belongings.

Power and Connectivity

For Sweden there are two associated plug types, types C and F. Plug type C is the plug which has two round pins and plug type F is the plug which has two round pins with two earth clips on the side. Sweden operates on a 230V supply voltage and 50Hz. Please bring the appropriate adapters and check your devices for voltage.

Currency and Payments

The local currency is Swedish krona (SEK), meaning "crown" in English, it has been Sweden's official currency since 1873. Credit cards are widely accepted. Some small vendors may prefer cash. ATMs are available throughout Gothenburg.

As of September, 2025: 1 Euro = 11.0 SEK, 1 USD = 9.5 SEK

For an indication of the price level in Sweden, please have a look at the Big Mac Index:
