

2nd National Sweden SKA Science Day

Tuesday, 10 September 2024 - Wednesday, 11 September 2024

Veras gräsmatta, Campus Johanneberg, Chalmers University

Scientific Programme

A pdf of the final conference schedule and talk abstracts can be found [here](#) (updated 9/9/24):
2nd National Sweden SKA Science Day Program

Invited talks are 25+5 minutes.

Contributed talks are 15+5 minutes.

In addition, we will have a demo on the Canfar Science Platform that is being built as part of the SKA Regional Center Network (SRCNet) development; and we will have a system set up to explore 3D data using Virtual Reality software, iDavie. This will be available during the coffee and lunch breaks, and participants can bring their own data.
